There is a 1 dozen minimum for Chocolate Toffee cookies, 1 dozen minimum for Frosted Sugar cookies and a 1 dozen minimum for Tartlettes (may be a variety of available flavors).

Because our kitchen is so tiny we limit the size of large orders based on what we have scheduled.

Please reserve large orders early, as we do book up quickly. For all special/custom orders, we require at least 1 week advance notice. We strongly suggest a 2 week notice for holiday orders as we book up fast. This, however, does not always guarantee your order will get placed depending on how busy we are.
